### **DEER BEING CHASED BY DOGS**

**PANFIELD Sunday 11<sup>th</sup> October**

Three dogs and a car have been seized by our Rural Engagement Team following reports of a deer being chased by dogs in a field. Four men were stopped and searched following the incident on Sunday 11th October. A 28-year-old man was issued with a three-year community protection warning. CPWs require people to stop specified behaviour or risk further action. He was also interviewed and reported for consideration of prosecution under the Hunting Act 2004. Rural engagement officer PC Dane Wyatt urges anyone spotting hares or deer being chased by dogs, or groups of people in a field who look out of place, to report information to police. If you see deer or hare coursing taking place, ring 999 immediately and provide as much information as you can – for example, a What3Words location, a description of the people involved, vehicle registration numbers, vehicle descriptions and the location and direction of travel.

**However, it is very important that you don't put yourself at risk.**

### **CREATING A NEIGHBOURHOOD** **WATCH SCHEME WHERE YOU LIVE!!!**

People who want to be part of Neighbourhood Watch and also create a NW scheme to cover where they live in Braintree District still register with Neighbourhood Watch Network (NWN is our Head Office)..Well that's all very good !

**BUT** then NWN send to me the person's full postal address and contact email so I can send to them an application form for my approval. NO scheme can be created until it is approved by the District Co-ordinator/Chairman of the local NW District -fact!

**That is why I receive such details from NWN..**

If I do not hear from the person who has created a scheme on NWN within ten days well I shall then delete their scheme on NWN and place the person on to Braintree NW Scheme on NWN pending their reply to my email which introduced ourselves in Braintree hoping to receive a signed application form for consideration...

#### **What are the benefits of a local scheme?**

Well you have a local contact who will liaise with myself and ensure any local NW information is distributed to the scheme members including crime prevention advice from Essex Police and FREE NW items from ourselves . So it is hoped that I shall always have applications to be a co-ordinator but please be aware that being a Neighbourhood Watch Co-ordinator is being available to your members almost 24/7..
